Have you decided what quilt(s) you are entering and if it needs copyright permission? Below is a list of designers and publishers we have information for.

All “permissions” require proper pattern, book, publisher and designer credit be given.

- Check the Blanket Permission list. Maine Quilts may already have permission from a designer and/or publisher.
- Look in the book or magazine. There may already be a statement that gives you permission to display the quilt.
- If you need to take the next step, determine who to contact – you may need to contact the publisher as well as the author/designer/artist. For additional questions email Carmen at quiltsreg@mainequilts.org or Callie.
