Here is my first shot at the Maine Quilts monthly newsletter. I have now taken over as the Maine Quilts Coordinator. During the last three months as I have job shadowed Callie I have learned a great deal. Callie has left me some big shoes to fill. I look forward to working with all of you. My impressions of the 2018 Maine Quilts show are that Maine Quilt Lovers do a heck of a job putting on a wonderful show!!! The volunteers in this organization make the show. It was great to see such a wonderful group of people who give countless hours of their time and expertise in order to make this show a success. This is truly a marvelous sight to see.

I have been a member of Cobblestone Quilters for quite a few years. I enjoy quilting and love to learn new skills and techniques. I am inspired by the quilts that I see and I have been humbled and awed to see the generosity of quilters throughout the state.

As we move forward in making plans for the 2019 Maine Quilts show I look forward to hearing from all of you. This is a show run by all of you and your input is very important.

There are a number of openings for Chairs including Admissions Chair, Children's Classes, Signs, and Charity Event. For those that might hesitate to take on one of these roles I would like to mention that each chair receives a notebook outlining the duties of the job. This takes a lot of guess work out of the process. I can tell you from experience that the notebooks contain a lot of great information. Each Chair has some specific tasks that need to be completed. Some tasks are done at home; some are done at the show. Some are for a very short time and some are longer. If you think you might be interested give it a try! You will have lots of support from others. It is a great opportunity to get more involved and have a lot of fun.

I wanted to include a photo of Kari who is the joyous winner of the Martelli table at the 2018 show. She looks like she is ready to quilt!!
