### Maine Quilts 2019 was a terrific show.

Thank you all for **volunteering**, enjoying the learning opportunities with our teachers, spending your money with our vendors, and supporting the various fundraisers.

Thank you to the chairpersons and the hours spent organizing and preparing your parts for the show!

This was my first year as the coordinator of the show. I appreciate the assistance I received from so many people and I also appreciate the patience that was shown to me. I want to let you know that I am closely reviewing the comments and suggestions made. I appreciate hearing from you. If you have additional suggestions please feel free to share.

Work has already begun on Maine Quilts 2020! If you would like to join us as a Chairperson please let me know. We can talk about what is available. Come join us and be part of this PTQG event. If you are interested but unsure if you will know what to do please know that there is plenty of support and former chairs have been wonderful about providing guidance and support.

Below please find a list of the individuals who won the wonderful baskets in the Quilters Walk. Those baskets were beautiful. I wanted to take them all apart and look at all the goodies.
