

Connections Supply List

This class will teach students to use the Creative Grids®: • CGRJAW1- 8" Log Cabin Trim tool (In a new and unique technique) • CGRDH2- Strippy Stars Tool • CGRDH3- Turbo 4-patch Tool Students may purchase the required tools from their local quilt shop or from my web site www.debscatsnquilts.com before the class. I will also have 3 of each with me to share in class but having your own will keep you from having to wait. Students may purchase the pattern from their local quilt shop or from my web site www.debscatsnquilts.com before class. Students may also purchase the pattern from instructor the day of class.

If purchasing the pattern, the day of class, please have cash, or check made out to Deb's Cats n Quilts Designs. Pattern \$10.

In addition to the tools listed above, please bring to class:

Sewing machine with power cord and foot control

Thread and bobbin Rotary cutter with fresh blade Small cutting mat

Straight pins, scissors, seam ripper, and anything else you normally use when sewing

Small basic ruler such as a 6" x 12"

A 4 ½" square ruler will also be helpful if you have one but is not mandatory

Mechanical pencil

Best Press, Magic Sizing, or whatever you prefer to use when pressing

Our goal in this class:

To understand how to use each of the featured Creative Grids® tools. Included will be a demo on how to use the log cabin trim tool in several additional ways.

To complete at least (1) Connections block and (4) strippy stars units. Please see yardage information and cutting information on the next page. Highlight the yardage and cutting for the size you wish to make. Please pre-cut before class and place individual cuts in a zip loc labeled with size and any other pertinent information so that you can easily find the pieces you need in class.
