It is my pleasure to say “hello!” to you as your new Maine Quilts Coordinator! We may have had the opportunity to meet during my time as the Maine Quilt Shop Hop Coordinator for the past several years. As I transition into my new role as Maine Quilts Coordinator, one thing remains the same: the passion for sewing and quilting that can be found in Maine. I look forward to seeing that passion come to life when we attend Maine Quilts 2022 on July 28-30, 2022.

Announcing the Maine Quilts 2022 Theme: **“Maine Seas First Light”**

This year’s theme is full of possibilities for you to be creative as you plan and begin making your entries for the 2022 show. Waves! Sun! Light! Sunrise! And those are just a few words that come to mind when thinking about “Maine Seas First Light”. Happy planning!

There are a few opportunities for YOU to become a chairperson for Maine Quilts 2022! Chairpersons play key roles in preparing for and helping at the show. If you would like to learn more about this year’s volunteer opportunities, please contact me soon. Our current Chairpersons will warmly welcome you.

The special exhibits for Maine Quilts 2022 will be must-see stops during your time at the show. “HERstory: A Celebration of Strong Women”, originally slated to be at Maine Quilts 2020, will be on display at this year’s show.

See you at the Pine Tree Quilters Guild Members’ Meeting on September 11! I look forward to meeting you there.
