FRIDAY, JULY 26TH – NOON LECTURE ~ \$10

REEZE HANSON ~ IT’S DA-BOM, THE EVELUTION OF THE BLOCK OF THE MONTH DESIGNS.

Block of the month quilts have proven to be immensely popular, and as a style, both durable and highly creative. Something about the number 12! As a designer, Reeze's style has evolved and changed by challenging herself to devise a new -- and different -- block of the month every year for the past decade. A lighthearted look at these quilts quickly reveals the changes, both big and small that define her design style, and shows off her creative talent. From free to fantastic, this romp through the years is both entertaining and introspective. Fun!

SATURDAY, JULY 27TH ~ NOON LECTURE ~ \$10

MARGE TUCKER ~ THE GOOD, THE BAD AND THE UGLY – MY LIFE IN QUILTS.

In this lecture, Marge will tell her quilting journey, from the first quilt she remembers seeing to becoming a quilting instructor/fiber artist.
