For class you will need either the Skinny Robin 16-Point Mariner's Compass Book/Ruler Combo **OR** the Fat Robin 16-Point Mariner's Compass Book/Ruler Combo. You can wait until the day of class to purchase your ruler at a 10% discount.

(If you choose to purchase your ruler prior to class, please purchase from my website using coupon code (MAINE10) or from your favorite LQS. Do not purchase on Amazon as I do not sell on Amazon. Even though it may say Robin Ruth Design, these are third party sellers, and I cannot guarantee what you will receive.)

-Regular sewing supplies (sewing machine, cutting mat and rotary cutter, thread, scissors, pins, ironing station if allowed)

-Straight edge ruler with 45° angle for Skinny Robin and 60° angle for Fat Robin. Most straight edge rulers come with these angles located on the ends of the ruler. These rulers will work, but it will be a little easier if you have a ruler with the angles in the middle. Try my Angle Ruler or Olfa makes one that you might already have. Rulers with the angles on the end will still work, but sometimes are a little more difficult to use.

-Freezer paper square (an exact 14 1/2" x 14 1/2" square)
