Class name: Creative Mono Printing on Fabric

Description: Design and create your own fabric, something no one else has. Learn to use a Gel Press mono printing plate with paints, stencils, stamps and other tools. Your painted fabric designs can be used in art and traditional quilts. No artist training needed! You will create complex fabrics designs that are uniquely yours. These fabrics are a fabulous additional to your stash - ready to use the day they are printed and the fabrics are totally permanent on fabrics!
