

Frustration-Free Foundation Paper Piecing

Supply List

Class Description: Get the perfection with foundation paper piecing, without the headaches and frustration of traditional methods. You will know before you sew that the fabric is in the right place and that it fits! Every time! Learn this simpler method with fewer steps and an easier process. We will try out several different foundations to see how each works. Get ready for perfect piecing!

Supplies

- Sewing machine with basic accessories
- Rotary cutter, ruler (at least 6x12), and mat
- Add-A-Quarter trimming ruler, 6" or 12", optional
- Thread (medium gray or beige)
- Flower head pins - regular pins will work okay

Fabric Selection

To learn the technique, bring 3 fat quarters, a light, a medium, and a dark. These will be used to make a star or a pinwheel design - your choice. You will receive basic written instructions for foundation piecing and several types of foundations in class.

I am looking forward to sharing this technique with you! If you have any questions, please email me at the address listed below. See you soon!
