We need volunteers over the age of 18 and you need not be a quilter. Come join our community and help support the quilters in your family. Your grandmother or mother does not need to do all the work. Our quilt show needs your help to keep it going. We rely on your dedication and time to fill critical positions – please go to our website to see what positions are available at www.mainequilts.org under the Volunteer tab, there are 2 ways to sign up. Choose what works for you. Contact Sylvia at volunteer@mainequilts.org with any questions. A two-hour shift will get you free admission and a chance at the sewing machine giveaway! Please consider volunteering for take down, we need people to get the quilts back to our quilters.

Please Volunteer today!
